Subject: Bed Base Information / West Coast Liquidation

Hi Kevin -

This is Ryan Giannetta at the Disneyland® Resort. John Grey with West Coast Liquidation - whom I worked closely with on a project last August at one of our hotels - told me that you have some bedding switch-out work taking place soon and are looking for the info on the metal bed base that we installed.

We went with a bed base from Fashion Bed Group (<http://www.leggett-cpu.com/>). They are based in Whittier, CA. I wasn't on the procurement/contract side of this project - just implementation - but the number I have listed for them is: [562-945-2641](tel:562-945-2641).

Queen Bed Base

- Product Code: 570124
- Product Description: PED BED BASE QUEEN 7550

King Bed Base

- Product Code: 570125
- Product Description: PED BED BASE KING 7566

I hope this info helps.

On a side note, John and his team from West Coast Liquidation were exceptional to work with. They were extremely clean, quiet, flexible, and overall exceeded our expectations!

Good luck with the project!

Ryan
