This letter is in reference to West Coast Hotel Liquidation. West Coast Hotel Liquidation has done several projects for Remington Hotels and we have always been pleased with their energy and team efforts to complete the job in a timely and efficient manner. West Coast has a professional, prompt and efficient team that we can trust and requires minimal oversight and supervision. When issues have developed John Grey and his teams were always willing to work with us to get a timely resolution. I recommend giving them the opportunity to provide anyone with the same great service that they have been able to provide for us over the last 5 years.
